

GOOD TIMES

River Falls Comforts of Home Senior Living

April 2024

Spring has arrived!

The Easter Bunny made his appearance and hid 450+ eggs as well 3 Golden eggs. We had a great turn out and lots of sunshine!

With the nice days we've had and will have, we are excited to be getting outside for grilling, activities and walks around the pond. The ducks have returned and have started laying their eggs. The residents are excited to watch as they start hatching.

Continue to watch our Facebook page, for future campus events!
